4. Identify Accommodations Desired.

Accommodation Options

All facilities include private bathrooms, bunk beds, and carpeted floors.

Northland Camp is happy to offer air-conditioned rooms in several center court cabins.

The price is only \$75 per room!

- If you wish to reserve one of these rooms, please check here (first come, first serve).

Option 1

The center court cabins provide centrally located rooms close to the Dining Hall, Chapel, Rec. Hall, and main activity area. Each room houses up to 10 people. These rooms are convenient for large families with small children.

Option 2

The Mamie Patz Residence Hall is located 100 yards from the main activity area. Each room houses up to four people (cots are available upon request for extra family members). Facilities include a public kitchen, vending machines, and a handicapped-accessible room.

Option 3

For more private housing, the Paul Patz Residence Hall is located beside the gym and approximately 200 yards from the main campground. Each room comfortably houses four people (cots are available upon request for extra family members). Facilities include a public kitchen and vending machines.

Option 4

Our beautiful, new Pioneer Village family cabins are situated across the lake from the main campsite. Rooms are air-conditioned/heated with a loft, an oversized bathroom, and bunkbeds for up to 14 people (minimum of eight people required for each room). This is a nice option for families who bring along bicycles or who enjoy a little extra walking. There is an additional \$75 charge for these rooms.

Note: Housing is based on availability and on a first-come, first-serve basis. Though every effort is made to honor requests, a specific room cannot be guaranteed. Only immediate family members may share a room.
