Option 1

The center court cabins ("Lakeside" & "Timberside" cabins) provide centrally located rooms close to the Dining Hall, Chapel, Rec. Hall, and main activity area. Each room houses up to 10 people. These rooms are convenient for large families with small children. There is an additional \$75 charge for these rooms.

The Mamie Patz Residence Hall is located 100 yards from the main activity area. Each room houses up to five people (mattresses are available upon request for extra family members). Facilities include a public kitchen, vending machines, and a handicapped-accessible room.

Option 3

For more private housing, the Paul Patz Residence Hall is located beside the gym and approximately 200 yards from the main campground. Each room comfortably houses five people (mattresses are available upon request for extra family members). Facilities include a public kitchen and vending machines.

Option 4

Our Pioneer Village family cabins are situated across Camp Lake from the main campsite. Rooms are air-conditioned/heated with a loft, an oversized bathroom, and bunk beds for up to 14 people (minimum of six people required for each room; one married couple per room). This is a nice option for families who bring along bicycles or who enjoy a little extra walking. There is an additional \$75 charge for these rooms.
